ACCREDITATION OF THE STUDY PROGRAMMES "ECONOMIC EDUCATION" (BACHELOR OF EDUCATION, MASTER OF EDUCATION), "ACCOUNTING EDUCATION" (BACHELOR OF EDUCATION), "BUSINESS EDUCATION" (BACHELOR OF EDUCATION), "ISLAMIC ECONOMICS AND FINANCE" (BACHELOR OF ECONOMICS) AND "ACCOUNTING" (BACHELOR OF ECONOMICS)

Dear Ratna,

we are pleased to attach to this letter the decision of the AQAS accreditation commission on the successful accreditation of the study programmes in the cluster of "Economics and Business Education". Attached to the decision you will also find the experts' report on the accreditation.

The accreditation is limited in time until **30 September 2027**. A reaccreditation may be applied for.

The experts and the accreditation commission gave recommendations for further improvement of the study programme. Contrary to conditions, the university is not compelled to follow the recommendations. In case of a reaccreditation by AQAS we will, however, assess whether and how the university has used the recommendations to further develop the programme.

The enclosed experts' report will also be shared with the expert group. Furthermore, AQAS will publish it on our webpage (www.aqas.de) and also register the study programme in the list of accredited study programmes.

AQAS provides a digital logo for successfully accredited study programmes which may be used by the university for marketing purposes. You will find the logo in the download section of our website.

Dear Ratna, let us use this opportunity to thank you for the trust of your university in AQAS and the good cooperation we practiced in this successful procedure. We are looking forward to our future cooperation.

Yours sincerely
